

Journey to School

Road Safety Songsheet

Journey to School (This Old Man/I Love You)

I tell my friends and family
We all must think of road safety
When I'm on the bus on my Journey to School
I will follow Road Safety rules

I tell my friends and family
We all must think of road safety
When I'm in the car on my Journey to School
I will follow Road Safety rules

I tell my friends and family
We all must think of road safety
When I'm on my bike on my Journey to School
I will follow Road Safety rules

I tell my friends and family
We all must think of road safety
When I'm walking on my Journey to School
I will follow Road Safety rules

Stop! Look! Listen! (Frères Jacques)

Stop! Look! Listen!
Stop! Look! Listen!
Crossing the road
Crossing the road
You must remember
You must remember
The Green Cross Code
The Green Cross Code

Seatbelt Safety (Twinkle, Twinkle)

When you're travelling in a car
Put on your seatbelt and be a star
Always remind your family
It could save your life you see
So wear your seatbelt and be a star
Every time you're in a car

When you're riding on a bus
Put on your seatbelt without a fuss
Always remind your family
It could save your life you see
So wear your seatbelt without fuss
Every time you're on the bus

Cross (B-I-N-G-O)

There are some rules to follow
when you want to cross the road
D-O-E Road Safety
D-O-E Road Safety
D-O-E Road Safety
Be safe, Be seen, Be living

If you are with an adult
you should hold onto their hand
D-O-E Road Safety
D-O-E Road Safety
D-O-E Road Safety
Be safe, Be seen, Be living

Look for a safe place like a zebra
or a pelican crossing
D-O-E Road Safety
D-O-E Road Safety
D-O-E Road Safety
Be safe, Be seen, Be living

Make sure that you can see both ways,
look left, look right and listen
D-O-E Road Safety
D-O-E Road Safety
D-O-E Road Safety
Be safe, Be seen, Be living

Walk straight across the quiet road
but keep on looking and listening
D-O-E Road Safety
D-O-E Road Safety
D-O-E Road Safety
Be safe, Be seen, Be living

The Wheels On My Bike (The wheels on the bus)

The wheels on my bike go round and round
Round and round, round and round
The wheels on my bike go round and round
I must ride on it safely

The helmet that I wear, protects my head,
Protects my head, protects my head
The helmet that I wear, protects my head,
I must make sure it fits me

The brakes on my bike they stop me now,
Stop me now, stop me now
The brakes on my bike they stop me now,
I must make sure they're working

The light on my bike is glowing and bright,
Glowing and bright, glowing and bright,
And the clothes that I wear are glowing and
bright,
I must make sure you see me

The bell on my bike goes ding-a-ling-ling,
Ding-a-ling-ling, Ding-a-ling-ling,
The bell on my bike goes ding-a-ling-ling,
I must make sure you hear me

Car Rules Rule! (Three blind mice)

In the car, I sit on my booster seat,
I put on my belt and make sure it fits me,
I'd never try to open the door
Or take my seatbelt off to stand on the floor
Or put my arm or head out as we drive
I want to stay alive

Safe & Happy On The Bus (If you're happy and you know it)

When you're getting on the bus, just take your
time
If there are a lot of people get in line
Sit down on a seat you pick
Then put on your seatbelt quick
It will keep you safe when the bus is on the
move

Make sure your school bag isn't in the way
It might trip someone and they could hurt their
head
Don't distract the driver please,
They are driving carefully,
And stay on your seat until the bus has stopped

When you're getting off the bus, just take your
time,
Wait until it's stopped then down the steps you
climb,
Wait until the bus goes,
Before you try to cross the road,
When the traffic's clear just follow your green
cross code

Hooray For Safe Play (Heads, Shoulders, Knees & Toes)

Balls, skateboards and scooters,
Go karts, rollerblades and flickers,
Never play with them on the road,
It is dangerous don't you know,
Play safe away from traffic as it goes.
